Dear Sir

Thanking and recognising valued clients and staff. A company's most valued assets are people, the people who work with you and the clients you've worked to develop.

Recognising the value of both staff and customers can be done in many ways.

Let us at Sway Bowmen - in the heart of the New Forest - provide you with the solution to show your appreciation.

At Sway Bowmen we can provide the ultimate experience in projectile sports.

Catering for a minimum of 12 people and a maximum of twenty five, and with qualified coaches to recognised sporting standards and full insurance cover, we can offer the following entertainment packages for your consideration.

- An afternoon of Archery - 4 hours @ £50 per head
- An evening of Archery - 2 hours @ £30 per head
- An evening of Archery - 2 hours with Bar-B-Q @ £40 per head
- An afternoon of Archery - 4 hours, to include air pistol shooting as well as Archery @ £60 per head
- An Afternoon of Archery - 4 Hours to include air pistol shooting as well as archery with Bar-B-Q @ £70 per head

Start times for these events are 1300hrs for afternoon events and 1800hrs for evenings; times can be varied with small adjustment to suit particular circumstances such as travel arrangements.

Visit our website now to enquire further or email us at the address above.

The summer months will soon be here, an ideal time to make use of those longer summer evenings.
